

May School Age Classroom News

Look What We're Studying:

In the month of May, the children will be learning all about Mother's Day, Mexico, Bugs, and Flowers/How things grow. During the first week the children will be busy making presents for that special day in May! In week 2 when we "go" to Mexico, we will be making maracas, guitars, and coloring in the flag. Onto week 3 we will be diving right into fossil playdough as well as making dragonflies. Everything BUGS! In the last week of May, we will turn into gardeners when we learn how plants grow. Planting our own flowers will help the children see exactly how plants grow and what it takes. We are very excited for this month as it gets us so excited for June & warm weather to be here!

Upcoming Events:

*Monday, May 27 we will be closed for Memorial Day.

Special Notes:

***Please**...if your child is absent from school, picked up early, or has after school activities and it is your scheduled day at Countryside, it is very important that you let Bonnie know. It will avoid lots of panic, confusion, and phone calls.

*If your child is to leave Countryside with a teacher, a note must be written from the parent prior to the scheduled visit. Children cannot be taken out of Countryside without written permission from parent/guardian.

*Remember to return the day's paper for any days you may need care.
