

June School-Age Classroom News

Look What We're Studying:

In the month of June, the children will be jumping right into pond life. Learning about the life cycle of a frog, lily pads, and about the second meaning to a cat tail! In the second week it's all about Dad's! Week three will be the start of our Summer program at RMS and we will be "going" camping! From nature hunts, to designing our own flavors of ice cream, to my favorite... solar oven s'mores! In the last week, we will be creating a circus theme. From clowns, to cotton candy cotton balls and even making our own circus game! It will be an exciting month for sure, and only getting better from there. Happy Summer Time!!

Upcoming Events:

- *Wednesday, June 5, there is a half day of school.
- *Friday, June 14, is the LAST DAY OF SCHOOL and it's a half day!!!
- *Summer Program at RMS will begin on June 17!

Special Notes:

- *Please...if your child is absent from school, picked up early, or has any after school activities and it is your scheduled day at Countryside, it is very important that you let Marissa know. It will avoid lots of confusion, panic, and phone calls.
- *Remember to return the day's paper for the half days in June as well as summer pages.
- *Remember to return any paperwork we give you to fill out as we need it updated for your child's file.
