

August 2019 Newsletter

Hello families of Countryside Child Care Center! As we enter the month of August, we have a few updates and reminders:

*Please be mindful of the late policy. A reminder has been sent home in your child's folder and it is also posted in the foyer. It is extremely important to be here by 5:45 as our staff have families of their own to get home to.

*We will be doing a water play day on Wednesday August 7th. Please provide your child with a bathing suit, water shoes/sandals and a towel!

*An ice cream truck from Perry's Last Stand will be coming to the center August 15th for the children to enjoy an ice cream of their choice!

In the infant room, the babies will continue to do projects each day with their hand and footprints! They will enjoy outside time on the deck, splashing in the water table and reading stories!

In the infant toddler room, the children will do daily projects focusing on the themes cool treats, beach, fun in the sun and dinosaurs! They will use their sensory skills when making a "cool treats collage" and a "foam piece stegosaurus"! They will learn all kinds of new songs including Mr. Golden Sun!!

In the toddler/preschool room, the children will work on projects and activities focusing on the themes cool treats, beach, fun in the sun and dinosaurs! They will enjoy a cool treat...popsicles!!! Yum!

In the preschool room, the class will create many different projects and do some hands-on activities focusing on the themes cool treats, beach, fun in the sun and dinosaurs! They will be making super cute pirates and parrots!!

In the pre-k room, the class will do daily projects and activities. The themes the projects will follow are cool treats, beach, fun in the sun, and dinosaurs. Math and engineering will be incorporated when designing a sandcastle and working on a dinosaur pattern!

If you have any questions feel free to speak with us,
