

August School-Age Classroom News

Look What We're Studying:

In the month of August, we will start off by learning about Pirate's! Everything from a scavenger hunt to searching for the words we learn. In week 2 we are in beach mode! Frisbees, starfish, and beach balls will be made. Week 3 is all about dinosaurs. We will be making pasta dinos and connecting the dots to see which dinosaur will come alive! During our last week of August (which is also the first week of school), we will be crafting cool treats and having fun in the sun! As much as we don't want the summer to end, we are excited to get back into the school year routine and see all of our friends again! Here's to a great school year!

Upcoming Events:

- *August 26th- no school, open for the full day
- *August, 27th- FIRST DAY OF SCHOOL!
- *August 30th-no school, open for the full day

Special Notes:
