

August Newsletter

Hello to all Countryside Child Care Families. Just want to remind all families to make sure they are checking their child's bin to be sure they have a set of extra clothes. I want to thank everyone for letting me know ahead of time of vacations and times or kids leaving and coming in to school late.

Reminders:

- Please leave any bags at home as we have a place to put everything such as diapers, food, extra clothes, etc...
- Please bring in family photo so we can start to make our family tree in all our classrooms.
- Wednesday August 7, 2019 wear your favorite character shirt
- Wednesday, August 21, 2019 we will be having a picnic so please pack a lunch that does not involve a heat up!

Miss Naomi and Miss Christina are enjoying their time with the babies. They are continuing their bonds with the little ones. The infants are enjoying their daily stroller rides. Just a reminder to make sure everything brought in is labeled with your child's name/initials.

Miss Ashlee, Miss Jess and Miss Julee are having fun planning projects for the summer. The themes are fun in the sun, bubbles, under the sea, cool treats and back to school! They will be reviewing their shapes, colors, numbers and letters during circle time and transitioning times throughout the day. The projects will include engineering, coloring, painting, decorating, cool treats, snacks, group discussions, building and gluing!

Mrs Steph and Miss Sam have been planning and implementing some creative and fun projects for this month's themes such as: fun in the sun, zoo animals, pirates and back to school. These projects will consist of movement, special treats, engineering, gluing and painting as well as group discussions. During circle time and transitioning time the children will review their colors, shapes, letter, numbers and skills.

Also, please take some time and check out the new website that is now up and ready to be viewed!
