

September School-Age Classroom News

Look what we're studying:

Welcome back everyone and happy start to the new school year! This month we will be starting off with fun back to school projects. Introducing ourselves to new friends and learning about each other! Week 2 will be all about apples and Massachusetts! Everything from marble paintings, the state bird, and candle apples! Onto week 3 will be "All about me." It will give us all a chance to think about ourselves and write down our favorites! In the last week of September, we will be diving into our 5 senses. Matching games, 5 sense handprints and a box game of "what can you feel?" For the children who don't know me yet, I can't wait to meet you and look forward to getting to know each of you! For the one's who do, welcome back and can't wait for another fun school year!
