**The Infant Room teachers** are enjoying their time with all the infants. The more mobile babies are moving all around exploring the classroom. We do still go outside daily, weather permitting, so please dress your child appropriately (coats and shoes).

**The Toddler Room teachers** are having fun planning projects for their kids as they will be working on the themes: winter fun, gingerbread, winter decorations as well as the holidays coming up. They will be doing group activities, as well as painting and gluing. Included in this month are a bit of sensory and special snacks! The toddlers will be working on the color red, shape is a star, letters JKL, and the number 4. The nursery rhyme for the month is Twinkle, Twinkle Little Star.

**The Preschool Room teachers** are having lots of fun planning for the preschoolers for the month of December. The themes are dinosaurs, hibernation and Holidays around the world. There will be engineering, teamwork, special treats, art/literacy as well as sensory. The portfolio work consists of the color red, shape of a star, letters JKL, the number 4 and the skill is big and bigger.

Please, let us know if you have any questions or concerns
