

March School-Age Classroom News

Look what we're studying:

Welcome to March! This month we will be celebrating Dr. Seuss' birthday! We will be making paper green eggs and ham, a hot air balloon with our wishes on it and popsicle stick thing 1 and thing 2! Week two will be all about different types of transportation. Everything from school buses, airplanes, boats, trains and more! Week three will bring us into the luck of the Irish! We are going to try and trap that silly leprechaun and hope he doesn't get away from us again this year! Body parts will bring us into week four. We have a fun dice game, matching body parts and even choosing a partner to measure our arms and legs! Although March always feel so long, week five will get us excited for sure....SPRING! From butterflies, rainbows and flowers to birds and bunny math it will sure get us in the spirit for warmer weather!

Upcoming Events:

*Wednesday, March 4th...We will be open for the half day! Please let us know if your child will need care by **February 26th** so we can plan our staff accordingly!
