

Hello families of Countryside Child Care Center! As we enter the month of September and a new school year we have a few updates and reminders:

\*Some children will be making the transition to their new classrooms this month...as always we will make sure they are comfortable and have all of their belongings in their new room 😊

\*All payments are to be made via Kangarootime

\*Per EEC guidelines, all staff, parents, and families will now have to wear masks when entering the building as of September 7<sup>th</sup>. Children ages 2-5 will be encouraged to wear their masks during the day.

\*The center will be closed on Monday September 6<sup>th</sup> in observance of Labor Day!

This month's projects are focused on the themes all about me, five senses, back to school, medieval times and Massachusetts! Preschool-Pre-k will complete portfolio work each day consisting of the letters ABC, number 1, shape rectangle, skill line tracing and color yellow.

If you have any questions feel free to speak with us,

Erin & Bonnie
