

Hello to all of the School Age Families! As we enter the month of February, we have a few updates and reminders:

This month we have some fun facts to learn about: Dental Health, Nutrition, Valentine's Day, and France.

We will be open for the half day on Wednesday February 9th

We will be open at Rochester Memorial School for school vacation February 22nd-25th ...Tuesday-Friday.

We will be closed for the holiday, Monday, February 21st.

Please let us know as soon as possible if you need additional care on the half days and vacation days as it is on a first come first serve basis. If you sign up for the half and full days payment is expected even if you find alternative arrangements.

Please be sure you are walking your child to the door at drop off and coming to the door for pick up.

Please continue to pay all balances through Kangarootime
Please upload your child's photo on Kangarootime

Thank you,
Bonnie and Rachael
